

KVH Industries' CEO to Speak at SG Cowen Conference

May 31, 2005

KVH Industries' (Nasdaq: KVHI) president and chief executive officer, Martin Kits van Heyningen, will be speaking at SG Cowen's 33rd Annual Technology Conference in New York City on Wednesday, June 1, 2005. Mr. Kits van Heyningen's presentation, which is scheduled for 11:30 a.m., will be simulcast on the Internet and can be accessed via KVH Industries' investor web site, <http://www.kvh.com/InvRelations>. An audio archive of the presentation will also be available for replay later in the day at the same web site address.

KVH Industries, Inc., designs and manufactures products that enable mobile communication, navigation, and precision pointing through the use of its proprietary mobile satellite antenna and fiber optic technologies. The company is developing next-generation systems with greater precision, durability, and versatility for communications, navigation, and industrial applications. An ISO 9001-certified company, KVH has headquarters in Middletown, Rhode Island, with a fiber optic and military navigation product manufacturing facility in Tinley Park, Illinois, and a European sales, marketing, and support office in Kokkedal, Denmark.
