1.3 Accounting Terms; GAAP. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time; *provided* that, if the Borrower notifies the Lender that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the date hereof in GAAP or in the application thereof on the operation of such provision (or if the Lender notifies the Borrower that the Lender requests an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision shall have been amended in accordance herewith.

1.4 Designated Financial Officers. Each Credit Party hereby authorizes each of the Designated Financial Officers listed in Schedule 1.4 hereto to act as agent for each Credit Party and to execute and deliver on behalf of each Credit Party such notices, requests, waivers, consents, certificates and other documents, and to take any and all actions required or permitted to be delivered or taken by any Credit Party hereunder. The Borrower may replace any of the Designated Financial Officers listed in Schedule 1.4 hereto or add any additional Designated Financial Officers by delivering written notice to the Lender specifying the names of each new Designated Financial Officer and the offices held by each such Person. Each Credit Party hereby agrees that any such notices, requests, waivers, consents, certificates and other documents executed, delivered or sent by any Designated Financial Officer and any such actions taken by any Designated Financial Officer shall bind each Credit Party.

ARTICLE 2.....

The Credits

2.1 Revolving Loans.

(a).....Revolving Credit Commitment. Subject to the terms and conditions set forth herein, the Lender agrees to make Revolving Loans to the Borrower from time to time during the Revolving Credit Availability Period in an aggregate principal amount that will not result in the Revolving Credit Exposure exceeding the lesser of (i) the Revolving Credit Commitment at such time and (ii) the Borrowing Base at such time. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Revolving Loans.

(b).....Funding of Revolving Loans. To request the funding of any Revolving Loan hereunder, the Borrower shall deliver to the Lender not later than 1:00 p.m., Boston, Massachusetts time, by facsimile or electronic mail transmission, an Advance Request in substantially the form of Exhibit B-5 hereto, and setting forth all of the information required to be set forth therein including, without limitation, the Total Gross Availability as set forth in the most recent Collateral Update Certificate/Borrowing Base Certificate delivered to Lender, and the amount of the Advance requested. Upon receipt of such Advance Request and provided that no Default or Event of Default shall have occurred and be continuing or shall result therefrom, not later than 3:30 p.m. Boston, Massachusetts time on the date such Advance Request is delivered to the Lender, the Lender shall make a Revolving Loan to the Borrower in an amount equal to the amount set forth in such Advance Request by crediting such amount to one or more accounts of the Borrower maintained with the Lender; provided that Revolving Loans made to finance the reimbursement of an LC Disbursement under any Letter of Credit as provided in Section 2.3(e) shall be remitted by the Lender to the Issuing Lender.

(c).....Interest on Revolving Loans. Subject to Section 2.2 hereof, each Revolving Loan made to the Borrower by Lender hereunder shall bear interest at a rate per annum equal to the Adjusted Base Rate plus the Applicable Margin. Notwithstanding the foregoing, (i) all Revolving Loans which are not paid when due shall automatically bear interest until paid in full at the Post-Default Rate, (ii) during the period when any Event of Default of the type described in clauses (g), (h) or (i) of Section 9.1 shall have occurred and be continuing, the principal of all Revolving Loans hereunder shall automatically bear interest, after as well as before judgment, at the Post-Default Rate, (iii) if there shall occur and be continuing any Event of Default (other than an Event of Default of the type described in clauses (g), (h) or (i) of Section 9.1), following written notice delivered to the Borrower from the Lender, the principal of all Revolving Loans hereunder shall bear interest, after as well as before judgment, at the Post-Default Rate during the period beginning on the date such Event of Default first occurred, and ending on the date such Event of Default is cured or waived. Accrued interest on each Revolving Loan shall be payable in arrears on the first day of each month; *provided* that interest accrued at the Post-Default Rate shall be payable on demand, and all accrued interest on Revolving Loans shall be payable upon expiration of the Revolving Credit Availability Period. All interest hereunder shall be computed on the basis of a year of 360 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(d).....Repayment of Revolving Loans. The Borrower unconditionally promises to pay to the Lender the then unpaid principal amount of the Revolving Loans on the Revolving Credit Maturity Date. In addition, if following any reduction in the Revolving Credit Commitment or at any other time the Revolving Credit Exposure shall exceed the lesser of (i) the Revolving Credit Commitment at such time, or (ii) the Borrowing Base at such time, the Borrower shall first, repay Revolving Loans in an aggregate amount equal to such excess, and second, provide cash collateral for Total LC Exposure as specified in Section 2.3(g) in an aggregate amount equal to such excess.

(e).....Loan Account. The Lender shall maintain in accordance with its usual practice an account evidencing the indebtedness of the Borrower to the Lender resulting from each Revolving Loan made by the Lender, including the amounts of principal and interest payable and paid to the Lender from time to time hereunder. The entries made in the account maintained pursuant to this subsection 2.1(e) shall be prima facie evidence of the existence and amounts of the obligations recorded therein; *provided* that the failure of the Lender to maintain such account or any error therein shall not in any manner affect the obligation of the Borrower to repay the Revolving Loans in accordance with the terms of this Agreement.

(f).....Revolving Credit Note. Prior to the Closing Date, the Borrower shall prepare, execute and deliver to the Lender the Amended and Restated Revolving Credit Note in the principal amount of the Revolving Credit Commitment.

2.2 Eurodollar Borrowings.

(a).....General. Each Revolving Loan initially shall be a Base Rate Loan. Thereafter, the Borrower may elect to convert any portion of the outstanding Revolving Loans to a Eurodollar Borrowing. The Borrower may elect different options for continuations and conversions with respect to different portions of the affected Borrowing, in which case the Loans comprising each such portion shall be considered a separate Borrowing. The Borrower shall not be permitted to select any Eurodollar Interest Period for any Eurodollar Borrowing that ends after the Revolving Credit Maturity Date.

(b).....Interest on Eurodollar Borrowings. Each Eurodollar Borrowing shall bear interest during the applicable Eurodollar Interest Period at a rate per annum equal to the Eurodollar Rate plus the Applicable Margin. Notwithstanding the foregoing, (i) all Eurodollar Borrowings which are not paid when due shall automatically be converted into Base Rate Borrowings and shall bear interest until paid in full at the Post-Default Rate, (ii) during the period when any Event of Default of the type described in clauses (g), (h) or (i) of Section 9.1 shall have occurred and be continuing, all Eurodollar Borrowings shall automatically be converted into Base Rate Borrowings and shall bear interest, after as well as before judgment, at the Post-Default Rate, (iii) if there shall occur and be continuing any Event of Default (other than an Event of Default of the type described in clauses (g), (h) or (i) of Section 9.1), following written notice delivered to the Borrower from the Lender, all Eurodollar

Borrowings shall automatically be converted into Base Rate Borrowings and shall bear interest, after as well as before judgment, at the Post-Default Rate during the period beginning on the date such Event of Default first occurred, and ending on the date such Event of Default is cured or waived. Accrued interest on each Eurodollar Borrowing shall be payable in arrears on the first day of each month and on the last Business Day of the Eurodollar Interest Period applicable to such Eurodollar Borrowing; *provided* that interest accrued at the Post-Default Rate shall be payable on demand. All interest hereunder shall be computed on the basis of a year of 360 days, and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c).....Procedure for Requesting Eurodollar Borrowings. To request that any portion of the outstanding Revolving Loans be converted into a Eurodollar Borrowing, or, to request that any Eurodollar Borrowing continue as a Eurodollar Borrowing for an additional Eurodollar Interest Period, the Borrower shall submit to the Lender a Eurodollar Request, in substantially the form of Exhibit B-4 hereto and setting forth all of the information required to be set forth therein, by electronic mail or facsimile transmission, not later than 1:00 p.m., Boston, Massachusetts time, three Business Days before the date of the proposed conversion or continuation of such Borrowing. Each such Eurodollar Request made by the Borrower shall be irrevocable. Subject to the provisions of subsection 2.2(f) and provided that no Default or Event of Default shall have occurred and be continuing, upon receipt of a Eurodollar Request, the Lender shall on the requested date of conversion or continuation (i) convert the Base Rate Loan requested to be converted into a Eurodollar Loan for the Eurodollar Interest Period set forth in such Eurodollar Request and/or (ii) continue the Eurodollar Loan requested to be continued as a Eurodollar Loan for the additional Eurodollar Interest Period set forth in such Eurodollar Request.

(d).....Incomplete Eurodollar Requests. If any Eurodollar Request is incomplete in any respect, then such Eurodollar Request shall be void and the Borrowing which was the subject matter of such Eurodollar Request shall continue as a Base Rate Borrowing. If, with respect to any existing Eurodollar Borrowing, the Borrower fails to deliver a Eurodollar Request to continue such Eurodollar Borrowing at least three Business Days prior to the expiration of the Eurodollar Interest Period for such existing Eurodollar Borrowing, such Eurodollar Borrowing shall automatically convert to a Base Rate Borrowing at the expiration of such Eurodollar Interest Period.

(e).....Limit on Eurodollar Borrowings. At the commencement of each Eurodollar Interest Period for a Eurodollar Borrowing, such Borrowing shall be in an aggregate amount at least equal to \$500,000 or any greater multiple of \$100,000. Borrowings of more than one Type may be outstanding at the same time; *provided* that there shall not at any time be more than a total of four (4) Eurodollar Borrowings outstanding.

(f).....Alternate Rate of Interest. If prior to the commencement of any Eurodollar Interest Period for a Eurodollar Borrowing, the Lender determines that (i) adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Eurodollar Interest Period, (ii) the Eurodollar Rate for such Eurodollar Interest Period will not adequately and fairly reflect the cost to the Lender of making or maintaining Eurodollar Borrowings, or (iii) as a result of any Change in Law it is unlawful or impossible for the Lender to make or maintain any Eurodollar Borrowing; then in each case the Lender shall give notice thereof to the Borrower as promptly as practicable thereafter and, until the Lender notifies the Borrower that the circumstances giving rise to such notice no longer exist, any Eurodollar Request submitted by the Borrower shall be ineffective; *provided* that if as a result of a Change in Law the Lender is prohibited from maintaining any outstanding Eurodollar Borrowing, upon notice from the Lender, the Borrower shall immediately (A) convert such Eurodollar Borrowing to a Base Rate Loan, or (B) repay such Eurodollar Borrowing in full, together with all interest accrued thereon and all fees and other amounts payable to the Lender hereunder (in either case, subject to the provisions of subsection 2.2(g) of this Agreement with respect to redeployment costs).

(g).....Break Funding Payments. In the event of (i) the payment of any principal of any Eurodollar Loan other than on the last day of the Eurodollar Interest Period applicable thereto (including as a result of an Event of Default), (ii) the conversion of any Eurodollar Loan other than on the last day of the Eurodollar Interest Period applicable thereto, or (iii) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice is permitted to be revocable and is revoked in accordance herewith), then, in any such event, the Borrower shall compensate the Lender for the loss, cost and expense attributable to such event, as determined by the Lender in a manner consistent with its customs and practices. In the event that the Lender is entitled to receive compensation pursuant to this subsection 2.2(g), the Lender shall deliver a certificate to the Borrower setting forth the amount or amounts that the Lender is entitled to receive, which certificate shall be deemed true and correct absent manifest error, and the Borrower shall pay such amount or amounts within three (3) days after receipt of such certificate.

2.3 Letters of Credit.

(a).....General. Subject to the terms and conditions set forth herein, in addition to the Revolving Loans provided for in Section 2.1, the Borrower may request the issuance of Letters of Credit for its own account by the Issuing Lender, in a form reasonably acceptable to the Issuing Lender, at any time and from time to time during the Revolving Credit Availability Period. Letters of Credit issued hereunder shall constitute utilization of the Revolving Credit Commitment. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the Issuing Lender relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b).....Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver to the Issuing Lender and the Lender by electronic or facsimile transmission (reasonably in advance of the requested date of issuance, amendment, renewal or extension) a letter of credit application in the form required by

the Issuing Lender. A Letter of Credit shall be issued, amended, renewed or extended only if (and upon issuance, amendment, renewal or extension of each Letter of Credit, the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the Total LC Exposure at such time shall not exceed the LC Sublimit, and (ii) the Revolving Credit Exposure at such time shall not exceed the lesser of (A) the Revolving Credit Commitment at such time, and (B) the Borrowing Base at such time.

(c).....Expiration Date. Each Letter of Credit shall expire (without giving effect to any extension thereof by reason of an interruption of business) at or prior to the close of business on the earlier of (i) the date 365 days, in the case of standby Letters of Credit, or 180 days, in the case of documentary Letters of Credit, after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, 365 days or 180 days, as applicable, after such renewal or extension) *provided* that any such standby Letter of Credit may provide for automatic extensions thereof to a date not later than 365 days beyond its current expiration date, and (ii) the date that is five Business Days prior to the Revolving Credit Maturity Date. No Letter of Credit may be extended beyond the date that is five Business Days prior to the Revolving Credit Maturity Date.

(d).....Reimbursement. If the Issuing Lender shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse (each, a "Reimbursement Obligation") the Issuing Lender in respect of such LC Disbursement by paying to the Lender for the account of the Issuing Bank an amount equal to such LC Disbursement not later than 1:00 p.m., Boston, Massachusetts time, on (i) the Business Day that the Borrower receives notice of such LC Disbursement, if such notice is received prior to 11:00 a.m., Boston, Massachusetts time, or (ii) the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time, *provided* that, subject to the conditions to borrowing set forth herein, payment of each such Reimbursement Obligation shall be made through the automatic funding of a Base Rate Borrowing in an amount equal to the amount of such Reimbursement Obligation, and the Borrower hereby irrevocably authorizes and directs the Lender to take such actions as may be necessary to effectuate such automatic funding of such Base Rate Borrowings. To the extent that any such Reimbursement Obligation is paid through the automatic funding of a Base Rate Borrowing, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Base Rate Borrowing. If the Borrower cannot satisfy the conditions to borrowing set forth herein such that the payment of any Reimbursement Obligation cannot be made through the automatic funding of a Base Rate Borrowing and the Borrower shall fail to make such payment when due, the Lender shall promptly pay to the Issuing Lender the unreimbursed portion of the LC Disbursement. Promptly following receipt by the Lender of any payment from the Borrower pursuant to this paragraph, the Lender shall distribute such payment to the Issuing Lender.

(e).....Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in subsection 2.3(d) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the Issuing Lender to the beneficiary under a Letter of Credit against presentation of a draft or other document that does not comply strictly with the terms of such Letter of Credit and (iv) any other event or circumstance whatsoever (other than gross negligence or willful misconduct of the Issuing Lender), whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.3, constitute a legal or equitable discharge of the Borrower's obligations hereunder.

(f).....Interim Interest. If the Issuing Lender shall make any LC Disbursement in respect of any Letter of Credit, and if the Borrower cannot satisfy the conditions to borrowing set forth herein such that payment of the Reimbursement Obligation resulting from such LC Disbursement cannot be made through the automatic funding of a Base Rate Borrowing, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to Base Rate Loans; *provided* that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to subsection 2.3(d), then interest calculated at the Post-Default Rate shall accrue on the unpaid amount thereof. Interest accrued pursuant to this paragraph shall be for the account of the Issuing Lender, except that interest accrued on and after the date of payment by the Lender pursuant to subsection 2.3(d) shall be for the account of the Lender to the extent of the payment.

(g).....Cash Collateralization. If either (i) an Event of Default shall occur and be continuing and the Borrower receives notice from the Lender demanding the deposit of cash collateral pursuant to this paragraph, or (ii) the Borrower shall be required to provide cash collateral for Total LC Exposure pursuant to subsections 2.1(d) or 2.6(b), the Borrower shall immediately deposit with the Lender an amount in cash equal to, in the case of an Event of Default, the Total LC Exposure as of such date plus any accrued and unpaid interest thereon and, in the case of any cash collateral required to be provided pursuant to subsections 2.1(d) or 2.6(b), the amount required under subsections 2.1(d) or 2.6(b), as the case may be; *provided* that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default described in clause (g) or (h) of Section 9.1. Such deposit shall be held by the Lender as collateral in the first instance for the Total LC Exposure under this Agreement and thereafter for the payment of any other obligations of the Credit Parties hereunder.

2.4 Expiration, Termination or Reduction of Revolving Credit Commitment.

(a).....Expiration of Revolving Credit Commitment. Unless previously terminated, the Revolving Credit Commitment shall expire at the close of business on the Revolving Credit Maturity Date.

(b).....Reduction of Revolving Credit Commitment. The Borrower may at any time and from time to time reduce the Revolving Credit Commitment; *provided* that (i) each reduction of the Revolving Credit Commitment

shall be in an amount that is at least equal to \$500,000 or any greater multiple of \$100,000, and (ii) the Borrower shall not reduce the Revolving Credit Commitment if, after giving effect to any concurrent repayment, the total Revolving Credit Exposure would exceed the total Revolving Credit Commitment. The Borrower shall notify the Lender of any election to reduce the Revolving Credit Commitment at least three Business Days prior to the effective date of such reduction, specifying the effective date thereof. Each notice of reduction of the Revolving Credit Commitment shall be irrevocable. Each reduction of the Revolving Credit Commitment shall be permanent.

(c).....Optional Termination of Revolving Credit Commitment. The Borrower shall have the right at any time to terminate the Revolving Credit Commitment. The Borrower shall notify the Lender of any election to terminate the Revolving Credit Commitment under this subsection 2.4(c) in writing at least thirty (30) days prior to the effective date of such termination, specifying the effective date thereof. Each notice of termination of the Revolving Credit Commitment shall be irrevocable. Any termination of the Revolving Credit Commitment shall be permanent.

2.5 Payments.

(a).....Payments Generally. The Borrower shall be obligated to make each payment required to be made by the Borrower hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or otherwise) to Lender at its offices in Boston, Massachusetts, prior to 3:00 p.m., Boston, Massachusetts time, on the date when due (except that if any payment shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension). All payments shall be made in immediately available funds, in U.S. dollars without set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Lender, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. Notwithstanding anything to the contrary set forth herein, subject to the conditions to the funding of Revolving Loans set forth herein, all payments of interest, fees and any other amounts due to be paid by the Borrower hereunder shall be made through the automatic funding of Base Rate Revolving Loans in amounts equal to the amounts of such interest, fees or other amounts due to be paid by the Borrower hereunder, and the Borrower hereby irrevocably authorizes and directs the Lender to take such actions as may be necessary to effectuate such automatic funding of Base Rate Revolving Loans, and, upon funding of any such Base Rate Revolving Loan, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Base Rate Revolving Loan. The Borrower expressly acknowledges and agrees that (i) the Lender may, in its sole discretion, effectuate the automatic funding of a Revolving Loan pursuant to this subsection 2.5(a) even though at the time of, or after giving effect to, the funding of such Revolving Loans the Revolving Credit Exposure exceeds the lesser of (x) the Revolving Credit Commitment and (y) the Borrowing Base, and (ii) if any one or more of the conditions to the funding of Revolving Loans cannot be satisfied and the Lender, in its sole discretion, refuses to fund a Base Rate Revolving Loan in an amount sufficient to satisfy the amount of any interest, fees or other amounts due hereunder, the Borrower shall remain obligated to pay the full amount of such interest, fees or other amounts as and when the same shall become due.

(b).....Application of Payments. If at any time insufficient funds are received by and available to the Lender to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder under any circumstances, including, without limitation during, or as a result of the exercise by the Lender of remedies hereunder or under any other Loan Document and applicable law, such funds shall be applied (i) first, to pay interest, fees, costs and expenses then due hereunder, (ii) second, to pay principal and unreimbursed LC Disbursements then due hereunder, and (iii) third, to any other Obligations then due from the Credit Parties to the Lender, the Issuing Lender, the Cash Management Bank or any other Affiliate of the Lender.

2.6 Prepayment of Loans.

(a).....Optional Prepayments of Loans. The Borrower shall have the right at any time and from time to time to prepay the Revolving Loans in whole or in part, subject to the payment of any amounts due under subsection 2.2(g).

(b).....Mandatory Prepayments. The Borrower shall be obligated to, and shall, make prepayments of the Loans hereunder (and reduce the Revolving Credit Commitment hereunder) as follows:

(i) Incurrence of Debt. Without limiting the obligation of the Borrower to obtain the consent of the Lender to any incurrence of Indebtedness not otherwise permitted hereunder, the Borrower agrees, on the closing of any incurrence of Indebtedness by any Credit Party (other than Indebtedness permitted pursuant to Section 8.1) to prepay the Loans hereunder (and provide cash collateral for Total LC Exposure as specified in subsection 2.3(g)), and the Revolving Credit Commitment hereunder shall be subject to automatic reduction, upon the date of such incurrence of Indebtedness, in an aggregate amount equal to 100% of the amount of the Net Cash Payments from such incurrence of Indebtedness received by any Credit Party, such prepayment and reduction to be effected in each case in the manner and to the extent specified in subsection 2.6(c) below.

(ii) Sale or Offering of Securities. Unless otherwise agreed to in advance in writing by the Lender, the Borrower agrees on the closing of any offering or sale of equity securities by any Credit Party, to prepay the Loans hereunder (and provide cash collateral for Total LC Exposure as specified in subsection 2.3(g)), upon the date of such sale or offering of securities, in an aggregate amount equal to 100% of the amount of Net Cash Payments from such offering of securities received by any such Credit Party such prepayment to be effected in each case in the manner and to the extent specified in subsection 2.6(c) below. Notwithstanding the foregoing, this section shall not apply to equity offerings (x) in connection with employee stock purchase plans and stock option plans of the Borrower or (y) in an amount with a total aggregate value of less than \$50,000,000.00.

(iii) Sale of Assets. Without limiting the obligation of the Borrower to obtain the consent of the Lender to any

Disposition not otherwise permitted hereunder, the Borrower agrees, on the date of any Disposition by any Credit Party, to prepay the Loans hereunder (and provide cash collateral for Total LC Exposure as specified in subsection 2.3(g)), and the Revolving Credit Commitment hereunder shall be subject to automatic reduction, upon the date of such Disposition, in an aggregate amount equal to 100% of the amount of such Net Cash Payments from such Disposition received by the Borrower on the date of such Disposition, such payment and reduction to be effected in each case and in the manner and to the extent specified in subsection 2.6(c) below. Notwithstanding the forgoing, the Borrower shall not be required to make any prepayment of the Loans under this subsection 2.7(b)(iii) with respect to the first \$500,000 of aggregate Net Cash Payments received by the Credit Parties from Dispositions after the Effective Time to the extent 100% of such Net Cash Payments are utilized (as evidenced by a binding contractual agreement) to replace the assets disposed of by the Credit Parties in the Disposition within 90 days of each such Disposition.

(iv) Proceeds of Casualty Events. Upon the receipt by the Lender or the Credit Parties of the proceeds of insurance, condemnation award or other compensation in respect of any Casualty Event affecting any property of the Credit Parties, the Borrower shall prepay the Loans (and provide cash collateral for Total LC Exposure as specified in subsection 2.4(g)), and the Revolving Credit Commitment shall be subject to automatic reduction, in an aggregate amount equal to 100% of the Net Cash Payments from such Casualty Event, such prepayment and reduction to be effected in each case in the manner and to the extent specified in subsection 2.7(c) below; *provided* that if there shall occur a Casualty Event and the aggregate market value of all property affected by such Casualty Event shall be less than \$500,000, and if, at the time proceeds of insurance in respect of such Casualty Event are received, no Event of Default shall have occurred and be continuing, the Borrower shall be entitled to utilize such insurance proceeds (in an amount not in excess of \$500,000) to repair or replace the property affected by such Casualty Event within 90 days (it being understood that if proceeds of insurance intended to be applied to repair or replace property are not in fact applied within 90 days after receipt thereof, then such proceeds shall be applied to the prepayment of Loans, cover for Total LC Exposure and reduction of the Revolving Credit Commitment as provided in this clause (iv) at the expiration of such 90 day period).

(c) Application. In the event of any mandatory prepayment of Loans pursuant to subsections (b)(i), (b)(ii), (b)(iii) and (b)(iv) of this Section 2.6, the proceeds shall be applied as follows:

(i) first, to the extent that Revolving Credit Exposure shall at such time exceed the lesser of (A) the Revolving Credit Commitment at such time or (B) the Borrowing Base at such time, such prepayment shall be applied to the repayment of Revolving Loans;

(ii) second, the amount of any mandatory prepayment shall be applied to repay Revolving Loans, and, second, to provide cash collateral for Total LC Exposure as specified in Section 2.3(g), with a corresponding permanent reduction in the Revolving Credit Commitment (except that no such corresponding permanent reduction in the total Revolving Credit Commitment shall be required in connection with any prepayment pursuant to subsection 2.6(b)(ii) above).

(d) Notification of Certain Prepayments. The Borrower shall notify the Lender by telephone (confirmed by telecopy) of any voluntary prepayment of any Eurodollar Loan not later than 1:00 p.m., Boston, Massachusetts time, three Business Days before the date of such prepayment. The Borrower shall notify the Lender of any mandatory prepayment of the Loans pursuant to subsection 2.6(b) hereunder as soon as practicable. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid.

(e) Prepayments Accompanied by Interest. All prepayments of the Loan shall be accompanied by accrued interest through the date of prepayment.

2.7 Fees.

(a) Unused Fee. The Borrower shall pay to the Lender unused fees in respect of the Revolving Credit Commitment, in an aggregate amount equal to the product of (x) the Applicable Unused Fee Rate, multiplied by (y) the daily average unused amounts of the Revolving Credit Commitment during the period from and including the date on which the Effective Time shall occur to but excluding the date on which the Revolving Credit Commitment terminates. Accrued unused fees shall be payable monthly in arrears on the first day of each month and on the date on which the Revolving Credit Commitment terminates. All unused fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) Letter of Credit Fees. The Borrower shall pay with respect to Letters of Credit issued hereunder the following fees:

(i) with respect to each standby or documentary Letter of Credit issued hereunder, a fee to the Lender which shall accrue at a rate per annum equal to (x) 2.00% multiplied by (y) the average daily amount of outstanding Letters of Credit during the period from and including the Closing Date to but excluding the date on which there shall no longer be any Letters of Credit outstanding hereunder, and

(ii) with respect to each documentary or standby Letter of Credit issued hereunder, the Issuing Lender's standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder.

Accrued fees for Letters of Credit shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day), and shall be payable monthly in arrears on the first day of each month and on the date the Revolving Credit Commitment terminates, commencing

on the first such date to occur after the date hereof, *provided* that any such fees accruing after the date on which the Revolving Credit Commitment terminates shall be payable on demand.

2.8 Increased Costs.

- (a) If any Change in Law shall:
- (i) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, the Lender or the Issuing Lender; or
 - (ii) impose on the Lender or the Issuing Lender or the London interbank market any other condition affecting this Agreement or Eurodollar Loans made by the Lender or any Letter of Credit;

and the result of any of the foregoing shall be to increase the cost to the Lender of making or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to the Issuing Lender of issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by the Lender or the Issuing Lender hereunder (whether of principal, interest or otherwise), then the Borrower will pay to the Lender or the Issuing Lender, as the case may be, such additional amount or amounts as will compensate the Lender or the Issuing Lender, as the case may be, for such additional costs incurred or reduction suffered.

(b) If the Lender or the Issuing Lender reasonably determines that any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on the Lender's or the Issuing Lender's capital or on the capital of the Lender's or the Issuing Lender's holding company, if any, as a consequence of this Agreement or the Loans made by the Lender, or the Letters of Credit issued by the Issuing Lender, to a level below that which the Lender or the Issuing Lender or the Lender's or the Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration the Lender's or the Issuing Lender's policies and the policies of the Lender's or the Issuing Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to the Lender or the Issuing Lender, as the case may be, such additional amount or amounts as will compensate the Lender or the Issuing Lender, or the Lender's or the Issuing Lender's holding company, for any such reduction suffered.

(c) A certificate of the Lender or the Issuing Lender setting forth the amount or amounts necessary to compensate the Lender or the Issuing Lender or its holding company, as the case may be, as specified in subsections 2.8(a) or 2.8(b) above shall be delivered to the Borrower and shall be conclusive so long as it reflects a reasonable basis for the calculation of the amounts set forth therein and does not contain any manifest error. The Borrower shall pay the Lender or the Issuing Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of the Lender or the Issuing Lender to demand compensation pursuant to this Section 2.8 shall not constitute a waiver of the Lender's or the Issuing Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate the Lender or the Issuing Lender pursuant to this Section 2.8 for any increased costs or reductions incurred more than six months prior to the date that Lender or the Issuing Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of Lender's or the Issuing Lender's intention to claim compensation therefor; *provided further* that, if the Change in Law giving rise to such increased costs or reductions is (i) retroactive and (ii) occurred within such six-month period, then the six-month period referred to above may be extended to include the period of retroactive effect thereof, but in no event any period prior to the Closing Date.

2.9 Taxes.

(a) Any and all payments by or on account of any Obligations of the Borrower hereunder shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; *provided* that if the Borrower shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.10) the Lender or the Issuing Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower shall make such deductions and (iii) the Borrower shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, the Borrower shall pay all Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) The Borrower shall indemnify the Lender and the Issuing Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.9) paid by the Lender or the Issuing Lender, as the case may be (and any penalties, interest and reasonable expenses arising therefrom or with respect thereto during the period prior to the Borrower making the payment demanded under this paragraph (c)), whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by the Lender or the Issuing Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower to a Governmental Authority, the Borrower shall deliver to the Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Lender.

Any of the foregoing terms which are defined in the Uniform Commercial Code shall have the meaning provided in the Uniform Commercial Code, as amended and in effect from time to time, as supplemented and expanded by the foregoing.

4.2 Special Warranties and Covenants of the Credit Parties. Each Credit Party hereby warrants and covenants to the Lender that:

- (a) Such Credit Party has delivered to the Lender a Perfection Certificate in substantially the form of Exhibit C hereto. All information set forth in such Perfection Certificate is true and correct in all material respects and the facts contained in such Perfection Certificate are accurate in all material respects as of the date of this Agreement. Each Credit Party agrees to supplement its Perfection Certificate promptly after obtaining information which would require a correction or addition to such Perfection Certificate.

(b) No Credit Party will change its jurisdiction of organization, type of organization, or other legal structure, principal or any other place of business, including its chief executive office, its mailing address, or the location of any Collateral from the locations set forth in the Perfection Certificate delivered by such Credit Party, or make any change in its name, its organizational identification number if it has one, or if such Credit Party does not have an organizational identification number and later obtains one, such Credit Party will notify the Lender of such organizational identification number, or conduct its business operations under any fictitious business name or trade name, without, in any such case, at least thirty (30) days' prior written notice to the Lender; provided that the inventory of such Credit Party may be in the possession of manufacturers or processors in any jurisdiction in which all necessary UCC financing statements have been filed by the Lender and with respect to which the Lender has received waiver letters from all landlords, warehousemen and processors in form and substance acceptable to Lender.

(c) Except for Collateral that is obsolete or no longer used in their business, the Credit Parties will keep the Collateral in good order and repair (normal wear excepted) and adequately insured at all times in accordance with the provisions of Section 7.5. The Credit Parties will pay promptly when due all taxes and assessments on the Collateral or for its use or operation, except for taxes and assessments permitted to be contested as provided in Section 7.4. Following the occurrence and during the continuance of an Event of Default, the Lender may at its option discharge any taxes or Liens to which any Collateral is at any time subject (other than Permitted Liens), and may, upon the failure of the Credit Parties to do so in accordance with this Agreement, purchase insurance on any Collateral and pay for the repair, maintenance or preservation thereof, and each Credit Party agrees to reimburse the Lender on demand for any payments or expenses incurred by the Lender pursuant to the foregoing authorization and any unreimbursed amounts shall constitute Obligations for all purposes hereof.

(d) The Lender may from time to time request and each Credit Party shall deliver copies of all customer lists and vendor lists.

(e) To the extent, if any, that such Credit Party's signature is required therefor, each Credit Party will promptly execute and deliver to the Lender such financing statements and amendments thereto, certificates and other documents or instruments as may be necessary to enable the Lender to perfect or from time to time renew the security interest granted hereby, including, without limitation, such financing statements and amendments thereto, certificates and other documents as may be necessary to perfect a security interest in any additional Collateral hereafter acquired by such Credit Party or in any replacements or proceeds thereof. Each Credit Party authorizes and appoints the Lender, in case of need, to execute such financing statements, certificates and other documents pertaining to the Lender's security interest in the Collateral in its stead if such Credit Party's signature is required therefor and such Credit Party fails to so execute such documents, with full power of substitution, as such Debtor's attorney in fact.

(f) Each Credit Party hereby irrevocably authorizes the Lender, at any time and from time to time, to file in any jurisdiction financing statements and amendments thereto that (i) indicate the Collateral (x) as all assets of such Credit Party or words of similar effect (excepting Patents, Trademarks and Copyrights until such time as an Event of Default shall occur hereunder, at which time the Lender shall be authorized to file financing statements indicating the Collateral as all assets of such Credit Party or words of similar effect), regardless of whether any particular asset falls within the scope of Article 9 of the Uniform Commercial Code of the Commonwealth of Massachusetts or such jurisdiction or (y) as being of an equal or lesser scope or with greater detail and (ii) which contain any other information required by Article 9 of the Uniform Commercial Code (including Part 5 thereof) for the sufficiency or filing office acceptance of any financing statement or amendment, including whether (A) any Credit Party is an organization, the type of organization and any organization identification number issued to such Credit Party and (B) in the case of a financing statement filed as a fixture filing or indicating Collateral as as-extracted collateral or timber to be cut, a sufficient description of the real property to which the Collateral relates. The Credit Parties agree to furnish any such information to the Lender promptly upon request. Each Credit Party also ratifies its authorization for the Lender to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto if filed prior to the date hereof.

(g) Notwithstanding anything to the contrary contained herein, the Lender agrees not to perfect its security interest in the Patents, Trademarks and Copyrights until such time as an Event of Default shall occur hereunder. At any time after an Event of Default has occurred, at which time the Negative Pledge Agreements shall be deemed to have terminated, each Credit Party agrees that it will join with the Lender in executing and, at its own expense, will file and refile, or permit the Lender to file and refile such other documents (including, without limitation, amendments to the UCC Financing Statements, this Agreement and licenses to use software and other property protected by copyright), in such offices (including, without limitation, the PTO, the United States Copyright Office, appropriate state patent, trademark and copyright offices and appropriate UCC filing offices), as the Lender may reasonably deem necessary or appropriate, wherever required or permitted by law in order to perfect and preserve the rights and interests granted to the Lender in Patents, Trademarks and Copyrights hereunder. Each Credit Party will give the Lender notice of each office at which records of such Credit Party pertaining to all intangible items of Collateral are kept. Except as may be provided in such notice, the records concerning all intangible Collateral are and will be kept at the address shown in the respective Perfection Certificate for such Credit Party as the principal place of business of such Credit Party.

(h) The Credit Parties are the sole and exclusive owners of the websites and domain names listed on Schedule 4.2 hereto and have registered such domain names with the applicable authority for registration of the same which provides for the exclusive use by the Credit Parties of such domain names. The websites do not contain any material, the publication of which may result in (a) the violation of rights of any person or (b) a right of any person against the publisher or distributor of such material.

(i) The Credit Parties shall, annually by the end of the first calendar quarter following the previous calendar year, provide written notice to the Lender of all applications for registration of Patents, Trademarks or Copyrights,

to the extent such applications exist, made during the preceding calendar year. The Credit Parties shall file and prosecute to the extent deemed reasonably appropriate by the Credit Parties all applications for registration of Patents, Trademarks or Copyrights now or hereafter pending that, in their reasonable discretion, would be necessary to the business of the Credit Parties to which any such applications pertain, and to do all acts, in any such instance, reasonably necessary to preserve and maintain all rights in such registered Patents, Trademarks or Copyrights unless such Patents, Trademarks or Copyrights are not material to the business of the Credit Parties, as reasonably determined by the Credit Parties consistent with prudent and commercially reasonable business practices. Any and all costs and expenses incurred in connection with any such actions shall be borne by the Credit Parties. All such Patents, Trademarks and Copyrights shall become subject to the terms and provisions of the Negative Pledge Agreements. Except in accordance with prudent and commercially reasonable business practices, the Credit Parties shall not abandon any right to file a Patent, Trademark or Copyright application or any pending Patent, Trademark or Copyright application or any registered Patent, Trademark or Copyright, in each case material to its business, without the consent of the Lender.

(j) The domain name servers used in connection with the domain names of the Credit Parties and all other relevant information pertaining to such domain names, and the administrative contacts used in connection with the registration of such domain names are identified on Schedule 4.2 hereof. No Credit Party will change such domain name servers without 10 days' prior notice to the Lender. No Credit Party will cause a change in the identity of any domain name administrative contact without 10 days' prior notice to the Lender.

(k) If any Credit Party is, now or at any time hereafter, a beneficiary under a letter of credit now or hereafter, such Credit Party will promptly notify the Lender thereof and, at the request and option of the Lender, such Credit Party shall, pursuant to an agreement in form and substance satisfactory to the Lender, either (i) arrange for the issuer and any confirmer or other nominated person of such letter of credit to consent to an assignment to the Lender of the proceeds of the letter of credit or (ii) arrange for the Lender to become the transferee beneficiary of the letter of credit, with the Lender agreeing, in each case, that the proceeds of the letter of credit are to be applied by the Lender against the Obligations as provided in this Agreement.

(l) To the extent any Credit Party shall, now or at any time hereafter, hold or acquire any promissory note or other instrument or tangible chattel paper, such Credit Party will promptly notify the Lender thereof and, at the request and option of the Lender, such Debtor will deliver such promissory note or other instrument or tangible chattel paper to the Lender to be held as Collateral hereunder, together with an endorsement thereof reasonably satisfactory in form and substance to the Lender.

(m) If, now or at any time hereafter, any Credit Party shall obtain or hold any investment property or electronic chattel paper, such Credit Party will promptly notify the Lender thereof and, at the request and option of the Lender, such Credit Party will take or cause to be taken such steps as the Lender may reasonably request for the Lender to obtain "control" (as provided in Sections 9-105 and 9-106 of the Uniform Commercial Code of the Commonwealth of Massachusetts, as amended and in effect from time to time) of such Collateral.

(n) No Credit Party holds any commercial tort claims, as defined in Article 9 of the Uniform Commercial Code, except as indicated in the Perfection Certificate attached hereto as Exhibit C. If any of Credit Parties shall at any time acquire a commercial tort claim, such Credit Party shall immediately notify the Lender in a writing signed by such Credit Party of the brief details thereof and grant to the Lender in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Lender.

(o) If any Credit Party has accounts receivable in respect of which the account debtor is located in Minnesota, the Credit Parties represent and warrant that the applicable Credit Party has filed and shall file all legally-required Notice of Business Activities Reports and comparable reports with the appropriate government authorities.

(p) The Borrower shall, at the request and option of the Lender, and if there shall be any Loans outstanding under this Agreement, notify account debtors and other persons obligated on any of the Collateral of the security interest of the Lender in any account, chattel paper, general intangible, instrument or other Collateral and that payment thereof is to be made directly to the Lender or to any financial institution designated by the Lender as the Lender's agent therefore. The Lender may itself, if a Default or an Event of Default shall have occurred and be continuing, without notice to or demand upon the Borrower, so notify account debtors and other persons obligated on Collateral. After the making of such a request or the giving of any such notification, the Borrower shall hold any proceeds of collection of accounts, chattel paper, general intangibles, instruments and other Collateral received by the Borrower as trustee for the Lender without commingling the same with other funds of the Borrower and shall turn the same over to the Lender in the identical form received, together with any necessary endorsements or assignments. The Lender shall apply the proceeds of collection of accounts, chattel paper, general intangibles, instruments and other Collateral received by the Lender to the Obligations, such proceeds to be immediately credited after final payment in cash or other immediately available funds of the items giving rise to them.

(q) The Credit Parties further agree, upon request of the Lender and at the Lender's option, to take any and all other actions as the Lender may reasonably request with respect to the attachment, perfection and First Priority (subject to Permitted Liens) of, and the ability of the Lender to enforce, the Lender's security interest in any and all of the Collateral.

4.3 Collection of Proceeds of Accounts Receivable.

(a) On or before the Closing Date, the Credit Parties shall (i) establish accounts, including, without limitation, the Blocked Account (as defined in the Dominion Account Agreement) (each a "Controlled Account "

and collectively the "Controlled Accounts") in the Lender's name for the benefit of the Borrower with the Cash Management Bank, into which the Credit Parties will immediately deposit all payments made for inventory or services sold or rendered by the Credit Parties and received by the Credit Parties in the identical form in which such payments were made, whether by cash or check, (ii) direct all of their account debtors to make all payments on accounts receivable of the Credit Parties directly to the Controlled Account under the control of the Cash Management Bank, and (iii) cause each Subsidiary and Affiliate, and any other Person acting for or in concert with the Credit Parties that receives any monies, checks, notes, drafts or other payments relating to or as proceeds of accounts receivable or other Collateral, to receive and hold such items in trust for, and as the sole and exclusive property of, the Lender and, immediately upon receipt thereof, shall remit the same (or cause the same to be remitted) in hand to the Controlled Accounts; *provided* that, for purposes of administrative convenience, the Lender may in its reasonable discretion, permit the Credit Parties from time to time to maintain one or more accounts with one or more financial institutions other than the Cash Management Bank and with such maximum cash balances as the Lender deems appropriate, and for which the Credit Parties may, at the discretion of the Lender, be permitted to have direct access.

(b) Each Credit Party acknowledges that the Cash Management Bank is an affiliate of the Lender and that the Cash Management Bank and the Lender are parties to cash management agreements that confirm that the Lender has dominion and control over all accounts of the Credit Parties or the Lender maintained by the Cash Management Bank, and all funds from time to time held in such accounts. The Borrower, the Lender and the Cash Management Bank hereby agree that the Cash Management Bank shall comply with any instructions originated by the Lender directing disposition of funds in such accounts without further consent of the Borrower. Each Credit Party agrees to enter into such Control Agreements with the Cash Management Bank and the Lender as the Lender may reasonably request. Each Credit Party also agrees to cause each financial institution other than the Cash Management Bank with which a Controlled Account has been established to, enter into a Control Agreement confirming that the amounts on deposit in such Controlled Account are the property of and are under the control of the Lender, that such financial institution has no right to setoff against such Controlled Account or against any other account maintained by such financial institution into which the contents of such Controlled Account are transferred, and that upon written notice from the Lender, such financial institution shall wire, or otherwise transfer in immediately available funds in a manner satisfactory to the Lender, funds deposited in the Controlled Account on a daily basis as such funds are collected.

(c) The Credit Parties agree to pay all reasonable fees, costs and expenses which the Credit Parties incur in connection with opening and maintaining a Controlled Account. All of such fees, costs and expenses which remain unpaid pursuant to any Controlled Account or Control Agreement with the Credit Parties, to the extent same shall have been paid by the Lender hereunder, shall constitute Loans hereunder, shall be payable to the Lender by the Credit Parties upon demand, and, until paid, shall bear interest at the highest rate then applicable to Loans hereunder. All checks, drafts, instruments and other items of payment or proceeds of Collateral delivered to the Lender or the Cash Management Bank in kind shall be endorsed by the Credit Parties, to the Lender, and, if that endorsement of any such item shall not be made for any reason, the Lender and the Cash Management Bank are each hereby irrevocably authorized to endorse the same on behalf of the Credit Parties. For the purpose of this subsection 4.3(c), each Credit Party irrevocably hereby makes, constitutes and appoints the Lender (and all Persons designated by the Lender for that purpose, including, without limitation, the Cash Management Bank) as such Credit Party's true and lawful attorney and agent-in-fact (i) to endorse the name of the such Credit Party upon said items of payment and/or proceeds of Collateral of the Credit Parties and upon any chattel paper, document, instrument, invoice or similar document or agreement relating to any account receivable of the Credit Parties or goods pertaining thereto; (ii) to take control in any manner of any item of payment or proceeds thereof; (iii) to have access to any lock box or postal box into which any mail of the Credit Parties is deposited; and (iv) open and process all mail addressed to the Credit Parties and deposited therein.

(d) The Lender (and all Persons designated by the Lender for such purpose, including, without limitation, the Cash Management Bank) may, at any time and from time to time after the occurrence and during the continuance of an Event of Default, whether before or after notification to any account debtor and whether before or after the maturity of any of the Obligations, (i) enforce collection of any accounts receivable or contract rights of the Credit Parties by suit or otherwise; (ii) exercise all of the rights and remedies of the Credit Parties with respect to proceedings brought to collect any accounts receivable; (iii) surrender, release or exchange all or any part of any accounts receivable of the Credit Parties, or compromise or extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder; (iv) sell or assign any account receivable of the Credit Parties upon such terms, for such amount and at such time or times as the Lender deems advisable; (v) prepare, file and sign the names of the Credit Parties on any proof of claim in bankruptcy or other similar document against any account debtor indebted on an account receivable of the Credit Parties; and (vi) do all other acts and things which are necessary, in the Lender's sole discretion, to fulfill the Obligations of the Credit Parties under this Agreement and to allow the Lender to collect the accounts receivable. In addition to any other provision hereof or in any of the other Loan Documents, the Lender may at any time on or after the occurrence of an Event of Default, at the sole expense of the Credit Parties, notify any parties obligated on any of the accounts receivable of the Credit Parties to make payment directly to the Lender of any amounts due or to become due thereunder.

4.4 Fixtures, etc. It is the intention of the parties hereto that (except for Collateral located on any Mortgaged Property) none of the Collateral shall become fixtures and each Credit Party will take all such reasonable action or actions as may be necessary to prevent any of the Collateral from becoming fixtures. Without limiting the generality of the foregoing, each Credit Party will, if requested by the Lender, use commercially reasonable efforts to obtain waivers of Liens, in form satisfactory to the Lender, from each lessor of real property on which any of the Collateral is or is to be located to the extent requested by the Lender.

4.5 Right of Lender to Dispose of Collateral, etc. Upon the occurrence of any Event of Default, such Event of Default not having previously been waived, remedied or cured, but subject to the provisions of the Uniform Commercial Code or other applicable law, in addition to all other rights under applicable law and under the Loan

Documents, the Lender shall have the right to take possession of the Collateral and, in addition thereto, the right to enter upon any premises on which the Collateral or any part thereof may be situated and remove the same therefrom. The Lender may require the Credit Parties to make the Collateral (to the extent the same is moveable) available to the Lender at a place to be designated by the Lender or transfer any information related to the Collateral to the Lender by electronic medium. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Lender will give the Credit Parties at least ten (10) days' prior written notice of the time and place of any public sale thereof or of the time after which any private sale or any other intended disposition thereof is to be made. Any such notice shall be deemed to meet any requirement hereunder or under any applicable law (including the Uniform Commercial Code) that reasonable notification be given of the time and place of such sale or other disposition.

4.6 Right of Lender to Use and Operate Collateral, etc. Upon the occurrence and during the continuance of any Event of Default, subject to the provisions of the Uniform Commercial Code or other applicable law, the Lender shall have the right and power (a) to take possession of all or any part of the Collateral, and to exclude the Credit Parties and all persons claiming under the Credit Parties wholly or partly therefrom, and thereafter to hold, store, and/or use, operate, manage and control the same, and (b) to grant a license to use, or cause to be granted a license to use, any or all of the Patents, Trademarks and Copyrights (in the case of Trademarks, along with the goodwill associated therewith), but subject to the terms of any licenses. Upon any such taking of possession, the Lender may, from time to time, at the expense of the Credit Parties, make all such repairs, replacements, alterations, additions and improvements to and of the Collateral as the Lender may deem proper. In any such case the Lender shall have the right to manage and control the Collateral and to carry on the business and to exercise all rights and powers of the Credit Parties in respect thereto as the Lender shall deem best, including the right to enter into any and all such agreements with respect to the operation of the Collateral or any part thereof as the Lender may see fit; and the Lender shall be entitled to collect and receive all rents, issues, profits, fees, revenues and other income of the same and every part thereof. Such rents, issues, profits, fees, revenues and other income shall be applied to pay the expenses of holding and operating the Collateral and of conducting the business thereof, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Lender may be required or may elect to make, if any, for taxes, assessments, insurance and other charges upon the Collateral or any part thereof, and all other payments which the Lender may be required or authorized to make under any provision of this Agreement (including legal costs and reasonable attorneys' fees). The Lender shall apply the remainder of such rents, issues, profits, fees, revenues and other income as provided in Section 4.7. Notwithstanding anything contained herein to the contrary, the Borrower shall have the right to sell, transfer, license, exchange, assign or otherwise dispose of the Patents and Trademarks to the extent permitted by each of the Negative Pledge Agreements and subject to section 2.6(b)(iii) hereof.

4.7 Proceeds of Collateral. After deducting all reasonable costs and expenses of collection, storage, custody, sale or other disposition and delivery (including reasonable legal costs and attorneys' fees) and all other charges against the Collateral, the Lender shall apply the residue of the proceeds of any such sale or disposition to the Obligations in accordance with the terms hereof and any surplus shall be returned to the Credit Parties or to any Person or party lawfully entitled thereto (including, if applicable, any holders of Subordinated Indebtedness). In the event the proceeds of any sale, lease or other disposition of the Collateral are insufficient to pay all of the Obligations in full, the Credit Parties will be liable for the deficiency, together with interest thereon at the Post-Default Rate, and the cost and expenses of collection of such deficiency, including (to the extent permitted by law), without limitation, reasonable attorneys' fees, expenses and disbursements.

ARTICLE 5

Representations and Warranties

Each Credit Party represents and warrants to the Lender and the Issuing Lender as to itself and each other Credit Party, that:

5.1 Organization; Powers. Each Credit Party has been duly formed or organized and is validly existing and in good standing under the laws of its jurisdiction of organization. Each Credit Party has all requisite power and authority to carry on its business as now conducted and is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required, except where the failure to have such power or authority or to be so qualified or in good standing, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

5.2 Authorization; Enforceability. The borrowing of the Loans and the grant of security interests pursuant to the Loan Documents are within the power and authority of the Credit Parties and have been duly authorized by all necessary action on the part of the Credit Parties. This Agreement and the other Loan Documents have been duly authorized, executed and delivered by the Credit Parties and constitute legal, valid and binding obligations of the Credit Parties, enforceable in accordance with their respective terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

5.3 Governmental Approvals; No Conflicts. The borrowing of the Loans and the grant of the security interests pursuant to the Loan Documents (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority which has not been obtained, except as disclosed on Schedule 5.3, (b) will not violate any applicable law, policy or regulation or the organizational documents of the Credit Parties or any order of any Governmental Authority, (c) will not violate or result in a default under any indenture, agreement or other instrument binding upon the Credit Parties, or any assets, or give rise to a right thereunder to require any payment to be made by the Credit Parties, and such violation or default or right to payment would have a Material

Adverse Effect, and (d) except for the Liens created by the Loan Documents, will not result in the creation or imposition of any Lien on any asset of the Credit Parties.

5.4 Financial Condition; No Material Adverse Change.

- (a) The Credit Parties have heretofore delivered to the Lender the following financial statements:
- (i) the consolidated balance sheets and statements of operations, shareholders' equity and cash flows of the Borrower and all Subsidiaries, as of and for the fiscal years ended December 31, 2000, and December 31, 2001, and December 31, 2002, audited and accompanied by an opinion of the Borrower's independent public accountants;
 - (ii) the unaudited consolidated balance sheet and statements of operations, shareholder's equity and cash flows of the Borrower and all Subsidiaries, as of and for the fiscal quarter-to-date period ended March 30, 2003, certified by a Designated Financial Officer that such financial statements fairly present the financial condition of the Borrower and all Subsidiaries as at such date and the results of the operations of the Borrower and all Subsidiaries for the period ended on such date and that all such financial statements, including the related schedules and notes thereto have been prepared in all material respects in accordance with GAAP applied consistently throughout the periods involved, except as disclosed on Schedule 5.4; and
 - (iii) the projected statements of operations for the Borrower and all Subsidiaries on a monthly basis for fiscal year 2003 and on an annual basis for 2004 .

EACH CREDIT PARTY (I) GRANTS SUCH WAIVER AND CONSENT KNOWINGLY AFTER HAVING DISCUSSED THE IMPLICATIONS THEREOF WITH COUNSEL, (II) ACKNOWLEDGES THAT (A) THE UNCONTESTED RIGHT TO HAVE A RECEIVER APPOINTED FOR THE FOREGOING PURPOSES IS CONSIDERED ESSENTIAL BY THE LENDER IN CONNECTION WITH THE ENFORCEMENT OF ITS RIGHTS AND REMEDIES HEREUNDER AND UNDER THE OTHER LOAN DOCUMENTS, AND (B) THE AVAILABILITY OF SUCH APPOINTMENT AS A REMEDY UNDER THE FOREGOING CIRCUMSTANCES WAS A MATERIAL FACTOR IN INDUCING THE LENDER TO MAKE THE LOANS TO THE BORROWER;

AND (III) AGREES TO ENTER INTO ANY AND ALL STIPULATIONS IN ANY LEGAL ACTIONS, OR AGREEMENTS OR OTHER INSTRUMENTS IN CONNECTION WITH THE FOREGOING AND TO COOPERATE FULLY WITH THE LENDER IN CONNECTION WITH THE ASSUMPTION AND EXERCISE OF CONTROL BY THE RECEIVER OVER ALL OR ANY PORTION OF THE COLLATERAL. THE LENDER ACKNOWLEDGES AND AGREES THAT NOTHING IN THIS SECTION 9.2 SHALL BE DEEMED TO CONSTITUTE A WAIVER OF THE RIGHT OF CREDIT PARTIES TO FILE FOR PROTECTION UNDER TITLE 11 OF THE UNITED STATES CODE AT ANY TIME.

Any party hereto may change its address or fax number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

10.2 Waivers; Amendments.

(a) No failure or delay by the Lender, the Issuing Lender, the Cash Management Bank or any Affiliate of the Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Lender, the Issuing Lender, the Cash Management Bank and all Affiliates of the Lender hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Credit Party or Subsidiary therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 10.2, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Lender or the Issuing Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Lender.

10.3 Expenses; Indemnity: Damage Waiver.

(a) The Credit Parties and the Other Obligors jointly and severally agree to pay, or reimburse the Lender for paying, (i) all reasonable out-of-pocket expenses incurred by the Lender and its Affiliates, including the reasonable fees, charges and disbursements of Special Counsel, in connection with the preparation of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Issuing Lender in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder, (iii) all out-of-pocket expenses incurred by the Lender, the Issuing Lender, the Cash Management Bank or any Affiliate of the Lender, including the fees, charges and disbursements of any counsel for the Lender, the Issuing Lender, the Cash Management Bank or any Affiliate of the Lender, in connection with the enforcement or protection of their rights in connection with this Agreement and the other Loan Documents, including their rights under this Section 10.3, or in connection with the Loans made or Letters of Credit issued hereunder, including in connection with any workout, restructuring or negotiations in respect thereof, and (iv) all Other Taxes levied by any Governmental Authority in respect of this Agreement or any of the other Loan Documents or any other document referred to herein or therein and all costs, expenses, taxes, assessments and other charges incurred in connection with any filing, registration, recording or perfection of any security interest contemplated by any Loan Document or any other document referred to therein.

(b) The Credit Parties and the Other Obligors jointly and severally agree to indemnify the Lender, the Issuing Lender, the Cash Management Bank, each Affiliate of the Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee and settlement costs, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, the other Loan Documents or any agreement or instrument contemplated hereby, the performance by the parties hereto and thereto of their respective obligations hereunder or thereunder or the consummation of the transactions

contemplated hereby or any other transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by the Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned, leased or operated by any Credit Party or any Subsidiary, or any Environmental Liability related in any way to any Credit Party or any Subsidiary, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee.

(c) To the extent permitted by applicable law, none of the Credit Parties or Other Obligor shall assert, and each Credit Party and Other Obligor hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, the other Loan Documents or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby, any Loan or Letter of Credit or the use of the proceeds thereof.

(d) All amounts due under this Section 10.3 shall be payable promptly after written demand therefor.

10.4 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Credit Party or Other Obligor may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender (and any attempted assignment or transfer without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Lender, the Issuing Lender and the Cash Management Bank) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) The Lender may at any time and from time to time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Revolving Credit Commitment and the Loans at the time owing to it).

(c) The Lender may at any time and from time to time, sell participations to one or more banks or other entities (a "Participant") in all or a portion of the Lender's rights and obligations under this Agreement (including all or a portion of the Revolving Credit Commitment and the Loans owing to it); *provided* that (i) the Lender's obligations under this Agreement shall remain unchanged, (ii) the Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower shall continue to deal solely and directly with the Lender in connection with the Lender's rights and obligations under this Agreement. The Borrower agrees that each Participant shall be entitled to the benefits of this Agreement to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 10.4; *provided* that a Participant shall not be entitled to receive any greater payment under this Agreement than the Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(d) The Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of the Lender, including any such pledge or assignment to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release the Lender from any of its obligations hereunder or substitute any such assignee for the Lender as a party hereto.

(e) The Lender may furnish any information concerning any Credit Party, any Subsidiary or any Other Obligor in the possession of the Lender from time to time to assignees and participants (including prospective assignees and participants) subject, however, to and so long as the recipient agrees in writing to be bound by, the provisions of Section 10.13. In addition, the Lender may furnish any information concerning any Credit Party, any Subsidiary, or any Affiliate in the Lender's possession to any Affiliate of the Lender, subject, however, to the provisions of Section 10.13. The Credit Parties shall assist the Lender in effectuating any assignment or participation pursuant to this Section 10.4 in whatever manner the Lender reasonably deems necessary, including participation in meetings with prospective transferees.

10.5 Survival. All covenants, agreements, representations and warranties made by the Credit Parties, Subsidiaries and Other Obligor herein and in the other Loan Documents, and in the certificates or other instruments delivered in connection with or pursuant to this Agreement and the other Loan Documents, shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Lender or the Issuing Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect so long as the principal of or any accrued interest on any Loan or any fee or any other Obligation payable under this Agreement or the other Loan Documents is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Revolving Credit Commitment has not expired or terminated. The provisions of Sections 2.9, 2.10 and 10.3 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of

the Loans, the expiration or termination of the Letters of Credit and the Revolving Credit Commitment or the termination of this Agreement or any other Loan Document or any provision hereof or thereof.

10.6 Counterparts; Integration; References to Agreement; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and any separate letter agreements with respect to fees payable to the Lender or its counsel constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Whenever there is a reference in any Loan Document or UCC Financing Statement to the "Credit Agreement" to which the Lender and the Credit Parties are parties, such reference shall be deemed to be made to this Agreement among the parties hereto. Except as provided in Section 6.1, this Agreement shall become effective when it shall have been executed by the Lender and when the Lender shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement.

10.7 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

10.8 Right of Setoff. Each Credit Party and Other Obligor hereby grants to the Lender, the Cash Management Bank and each Affiliate of the Lender that from time to time maintains any deposit accounts, holds any funds or otherwise becomes indebted to the Credit Parties or any Other Obligor a security interest in all deposits (general or special, time or demand, provisional or final) and funds at any time held and other indebtedness at any time owing by the Lender, the Cash Management Bank or any such Affiliate of the Lender to or for the credit or the account of any Credit Party or any Other Obligor as security for the Obligations, and the Credit Parties hereby agree that if an Event of Default shall have occurred and be continuing, the Lender, the Cash Management Bank and each Affiliate of the Lender are hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) or other funds at any time held and other indebtedness at any time owing by the Lender, the Cash Management Bank or any Affiliate of the Lender to or for the credit or the account of any Credit Party or any Other Obligor against any and all of the Obligations, irrespective of whether or not the Lender shall have made any demand under this Agreement and although any of the Obligations may be unmatured. The rights of the Lender, the Cash Management Bank and each Affiliate of the Lender under this Section 10.8 are in addition to any other rights and remedies (including other rights of setoff) which the Lender, the Cash Management Bank or any Affiliate of the Lender may have.

10.9 Subordination by Credit Parties. The Credit Parties hereby agree that all present and future Indebtedness of any Credit Party to another Credit Party ("Intercompany Indebtedness"), if any, shall be subordinate and junior in right of payment and priority to the Obligations, and each Credit Party agrees not to make, demand, accept or receive any payment in respect of any present or future Intercompany Indebtedness, including, without limitation, any payment received through the exercise of any right of setoff, counterclaim or cross claim, or any collateral therefor, unless and until such time as the Obligations shall have been indefeasibly paid in full; *provided* that, so long as no Default shall have occurred and be continuing and no Default shall be caused thereby, the Credit Parties may make and receive such payments as shall be customary in the ordinary course of the Credit Parties' business. Without in any way limiting the foregoing, in the event of any insolvency or bankruptcy proceedings, or any receivership, liquidation, reorganization, dissolution or other similar proceedings relative to any Credit Party or to its businesses, properties or assets, the Lender shall be entitled to receive payment in full of all of the Obligations before any Credit Party shall be entitled to receive any payment in respect of any present or future Intercompany Indebtedness.

10.10 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of The Commonwealth of Massachusetts.

(b) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the courts of The Commonwealth of Massachusetts and of the United States District Court for the District of Massachusetts, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such Massachusetts court (or, to the extent permitted by law, in such Federal court). Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Lender, the Issuing Lender or the Cash Management Bank may otherwise have to bring any action or proceeding relating to this Agreement against any Credit Party, any Subsidiary or any Other Obligor or its properties in the courts of any jurisdiction.

(c) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any court referred to in paragraph (b) of this Section 10.10. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.1. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

10.11 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.11.

10.12 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

10.13 Confidentiality. The Lender agrees to keep confidential information obtained by it pursuant hereto and the other Loan Documents confidential in accordance with the Lender's customary practices and agrees that it will only use such information in connection with the transactions contemplated by this Agreement and not disclose any of such information other than (a) to the Lender's employees, representatives, directors, attorneys, auditors, agents, professional advisors, trustees or Affiliates who are advised of the confidential nature of such information or to any direct or indirect contractual counterparty in swap agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.13), (b) to the extent such information presently is or hereafter becomes available to the Lender on a non-confidential basis from any source of such information that is in the public domain at the time of disclosure, (c) to the extent disclosure is required by law (including applicable securities law), regulation, subpoena or judicial order or process (*provided* that notice of such requirement or order shall be promptly furnished to the Borrower unless such notice is legally prohibited) or requested or required by bank, securities, insurance or investment company regulators or auditors or any administrative body or commission to whose jurisdiction the Lender may be subject, (d) to any rating agency to the extent required in connection with any rating to be assigned to the Lender, (e) to assignees or participants or prospective assignees or participants who agree to be bound by the provisions of this Section 10.13, (f) to the extent required in connection with any litigation between any Credit Party or any Other Obligor and the Lender with respect to the Loans or this Agreement and the other Loan Documents or (g) with the Borrower's prior written consent.

IN WITNESS WHEREOF, the parties hereto have caused this Credit Agreement to be duly executed by their respective authorized officers as of the day and year first above written.
